Chairman Message

Shankar Dulhani

Chairman & Executive Director,
Saraswati Saree Depot Limited

Dear valued Stakeholders,

We had anticipated stronger revenue growth in Q3FY25, however we take full responsibility of this and how it has impacted our financial performance. This performance is not in line with our objectives, and we are focused on addressing these challenges head-on. We are taking decisive actions to turn things around – we are implementing new initiatives and revisiting our strategies to ensure our targets are met in the short and medium term. We are actively implementing initiatives that we believe will play a significant role in driving sales and enhancing customer engagement.

To improve our financial outcomes, we are concentrating on streamlining our operations and reducing inefficiencies. This will allow us to improve cost management and protect our profitability even in periods of slower top-line growth. We believe that these operational optimizations will create a more sustainable foundation for the company, driving efficiency and long-term value

Our commitment to continuous improvement remains unwavering, and we are confident that these efforts will yield positive results moving forward. Going on line with what we mentioned last quarter about efficient capital allocation, we are declaring an interim dividend of Rs. 2.27 per share after money being utilized for growth.”

MD & CEO's Message

Vinod Dulhani

Managing Director & CEO, Saraswati
Sarees Depot Ltd

Dear Esteemed Stakeholders,

The previous quarter did present challenges in terms of growth, and while our performance fell short of our expectations, we remain focused on refining our approach and driving improved outcomes in the months ahead.

Our Surat purchase office has had a promising start, with encouraging early prospects and strong momentum. Leveraging Surat's strategic location, we are optimistic about the opportunities it presents and will continue strengthening this operation to maximize its potential. On the other hand, performance at Ulhasnagar continues to face challenges. While progress has been slower than anticipated, we are actively addressing the issues and taking active steps to get the facility back on track.

We remain committed to improving all aspects of our operations and are optimistic about the opportunities ahead. Our focus remains steadfast on growth, innovation, and delivering value to our stakeholders.
