SARASWATI GROUP OF INSTITUTIONS ABSTRACT OF UNAUDITED FINANCIAL RESULTS FOR THE QUARTER ENDED 30TH JUNE, 2024

Authorities say 'no danger' on claims of crack in Masalga dam

Latur: Amid claims by villagers that an embankment of the Masalga dam in Latur's Nilgiri taluk has developed a crack, authorities on Monday said all fears of a breach were unfounded and asked people not to believe in "false information".

Recently, some villagers had uploaded photographs of a wide crack on the embankment of the dam on social media, with several netizens claiming the storage capacity was 30%, which could lead to a breach that may inundate areas by areas.

Recently, some villagers had uploaded photos of a wide crack on the embankment of Masalga dam on social media, with many claiming the storage capacity was 30%, which could lead to a breach

In a release issued during the day, Masalga project executive engineer Amarshaha Patil said a technical inspection was undertaken and that there was no danger to the structure. As a precautionary measure, six gates were opened by 10 centimetres for water discharge to reduce the storage level on Friday, he official said.

"The water being released is minimal. There is no danger to nearby villages, residents of which have been given precautionary warning. The dam has a total storage capacity of 14,678 TMC with an irrigation area of 1,664 hectares. People must not believe in false information," the release said.

Vote for community members, Chandrapur MP urges Kunbis

Chandrapur: Chandrapur Lok Sabha MP Pratibha Dhanorkar urged Kunbis to ensure members of the community get their votes. Speaking at a function organised by the community on Sunday, Dhanorkar asked people to ensure a Kunbi wins from Chandrapur constituency, which incidentally is represented by her son-in-law. She said, "The Congress colleague Vijay Wadetiwar, Wadetiwar, one of the Maharashtra Congress prominent

Ex-serviceman found dead, protest held over drone attacks in Manipur

Students Meet CM & Governor, Seek Removal Of DGP & Security Adviser

Imphal: An ex-serviceman was found dead in Manipur's Imphal West district on Monday, police said. The body of Lalit Mohan, who hailed from Mithribung in Kangpokpi district, was found from an area of flood in Sekmal area, a senior officer said. Local identified the body in the morning and informed the police. "Preliminary investigation revealed that the man possibly died of physical assault by unidentified miscreants," he said.

Students held a protest march to Raj Bhawan in Manipur's Imphal on Monday

drone and missile attacks.

The school and college students chanted slogans such as "Long Live Manipur", "Resign All Incompetent MLAs", and "Give Unified Command to State Government" and expressed their frustration with the authorities over their handling of the situation. Later, the students met district minister N Riven Singh and go-

vernor L Acharya. Student representatives who met Acharya later told reporters that they placed his demands, including the removal of the DGP and the security adviser to the state government for their alleged failure to control the violence.

They also called for the Unified Command, currently chaired by former CRPF DG Rukhlesh

Singh, to be handed over to Singh. College student M. Sanathou Chium, who met Singh, told reporters, "We want to study freely without disruptions. We urged the CM to end the conflict as soon as possible." In Thoubat district, students in uniforms staged a rally demanding guarantee of the state's territorial and administrative integrity and opposing any form of separate administration. Similarly, in Kachhing district, thousands of locals held a mass rally protesting against civilian killings by suspected Kuki militancy.

Meanwhile, a police statement said the five people, who were killed in Jiribam district on Saturday, were identified. Three of them, who were in a militant group, while one was a village school teacher. Another person was an elderly man, it said.

Train hits LPG cylinder placed on track; UP ATS to probe sabotage angle

Larkner: A major train accident was averted by an alert loco pilot as the Bhiwani-Prayagraj Katiadi Express was brought to a screeching halt after hitting an LPG cylinder placed on the tracks in Kanpur, police said on Monday adding a bottle of petrol and matchboxes were also found at the site hinting at a sabotage bid.

The incident occurred around 6.30pm on Sunday when the Bhiwani-bound train was running at a high speed. An FIR has been registered and teams have been formed by multiple agencies including Uttar Pradesh's Anti Terrorist Squad (ATS) to probe the matter, officials said.

Additional commissioner of police (law and order) Harish Chandra said the loco pilot saw that the LPG cylinder was placed on the tracks and applied emergency brakes. However, before it came to a halt, the train hit the cylinder, throwing it away from the tracks, Chandra said.

The train remained at the site for

An LPG cylinder was found near the railway tracks during the investigation by ATS in Kanpur on Monday

'Isolated' mpox case confirmed, govt issues advisory

Surgesh Nandan, IAS
@surgeshnandan

New Delhi: The Union health ministry on Monday confirmed that the person who was recently isolated on arrival to India from an African country is positive for the Monkeypox (mpox) virus. However, the ministry clarified, the strain of the mpox virus affecting the person, West African (WA), is not part of the current global emergency.

"This case is an isolated case, like the earlier 30 cases reported

in India from July 2022 onwards and is not a part of the current public health emergency reported by WHO which is regarding clade 1 of mpox," the health ministry explained.

Sources said the person found positive for mpox had travelled to India from a country experiencing ongoing mpox transmission. He is currently isolated at a designated tertiary care isolation facility in Delhi. "The patient remains clinically stable and is without any systemic illness or comorbidities," said a govt source. She added

that the case aligns with earlier risk assessments and continues to be managed according to established protocols. "Public health measures, including contact tracing and monitoring, are actively in place to ensure the situation is contained. There is no indication of any widespread risk to the public at this time," the source said.

However, as a matter of standard precaution, Union health secretary Agnya Chandra has asked the states/UTs to disseminate information on screening, testing and management of

Mpox. Chandra, in a letter sent to all states/UTs, has also directed officials to identify isolation facilities in hospitals for taking care of both suspected and confirmed cases, availability of logistics and trained human resources. About the current outbreak, the health secretary has pointed out that most (mpox) cases are young males with a median age of 34 years (range 18-44 years). Among modes of transmission reported, globally, sexual contact is the most reported, followed by person-to-person non-sexual contact.

BUSINESS TOUR EXPERTS

India's Leading BUSINESS TOURS SPECIALIST

TIBRO ADVANTAGE

- Over 30 years of travel expertise
- Educational tours for university students
- Industry specific tours for trade associations

- #### Notes:
- The above financial results have been reviewed and approved by Board of Directors in the meeting held on September 09, 2024.
 - The Statutory Auditors have carried out Limited Review of the Financial Results of the Company for the quarter ended 30th June, 2024.
 - The Company is in the business of trading in Womens Apparels having similar characteristics and reviewed by the Chief Operating Decision Maker for assessment of Company's performance and resource allocation. Accordingly, the Company has only one reportable operating segment as per Ind AS 108 - Operating Segments.
 - The unaudited figures of previous comparative year and quarter ended 30th June, 2023 have been re-grouped/re-casted/rearranged wherever considered necessary to make them comparable with those of the current quarter.
 - i) The results for the quarter ended March 31, 2024 are extracted as balancing figures between the audited annual financial statements for the year ended March 31, 2024 and the audited interim financial statements for the nine months ended December 31, 2023. The audit of the interim financial statements for the nine months ended December 31, 2023 was conducted for the purpose of the Initial Public Offering ("IPO"). ii) Subsequent to the quarter ended June 30, 2024, the Company has completed an Initial Public Offering ("IPO") of 10,000,800 equity shares with a face value of INR 10 each at an issue price of INR 160 per share comprising fresh issue of 6,499,800 shares and offer for sale of 3,501,000 shares. The Company's equity shares are listed on the National Stock Exchange of India Limited (NSE) and BSE Limited (BSE) on August 20, 2024. Thus, these financial results for the quarter ended June 30, 2024, are prepared for the first time in compliance with Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) 2015, as amended.
 - Since the IPO was post June 2024 Quarter, the number of shares considered are Pre-IPO for EPS.
